

Guiding Students Empowering Futures

Principal Tronsen's Topics

Dear BDHS Families,

Welcome to the start of the 19-20 school year. We are off and running. A special thanks to all the families who have completed online registration. If you are still needing to complete this please do so ASAP. If you are in need of assistance then please contact the main office for help at 920-885-7313 x2114.

We are excited for the start of another great year! Right around the corner is Homecoming the week of September 23rd-28th. We will have a lot of fun activities planned for the week culminating with the Parade and Football game on Friday September 27th. The dance will be held on Saturday September 28th. We encourage all students to get involved with the festivities of the week. We do ask that you discuss respectful and appropriate behavior for that week too. Students who do not adhere to school policy and procedure may be excluded from the weeks activities.

Our first conferences will be Monday the 7th of October. Please mark your calendars now. This is a great way to meet your students teachers and check in on their progress. The end of the first term will be Friday November 1st.

I usually like to include some sort of resource for families each month. This

month follows Superintendent, Mr. DiStefano's summer address on the topic of "Vaping". For most of us we knew when this trend began to grow that nothing good can come from it. It was only a matter of time before science and medicine would be able to argue against it. The link below is a downloadable PDF guide for talking to teens about vaping. The more discussions we can have will hopefully impact the usage of this product. One key piece students do not have right now in the battle on vaping is the wherewithal to "Just Say No"! Please take some time and read the attached resource.

Thanks for taking time to read our Monthly Newsletter!

Russ Tronsen, Principal

Golden Beaver Medallion Recognition

In August the High School rolled out a new Teacher and Staff Recognition program called the Golden Beaver Medallion Recognition. Teachers and Staff are recognized by each other and are presented a Medallion for a month. Then they pass it onto the someone else. Our first recipients are pictured to the right.

Ms. Smith, Ms. Helgemoe, Ms. DeVries, and Mr. Pogorelec.
