

Beaver Dam

UNIFIED SCHOOL DISTRICT

Guiding students. Empowering futures.

Dear Parents/Guardians:

Should an emergency situation ever arise while school is in session, we want you to be aware that the School District has made preparations to respond effectively.

Our School District has a detailed emergency operations plan that has been formulated to respond to a major emergency situation. Your cooperation is necessary in any emergency.

During an emergency situation:

1. Do not telephone the school, phone lines will be in use by the School District to coordinate emergency services.
2. Do not go to your child's school unless you have been directed to do so.
3. Students will be kept at school or at an off campus evacuation point and only released to a parent/guardian or an adult who has been authorized during student registration.
 - a. Parents must be patient with the student release process to ensure the safety of all students.
4. Information from the School District will be distributed through radio and television stations, the School District website and the school district's automated calling system.
5. Prior to an emergency, impress upon your children the need for them to follow the directions of any school or emergency personnel in times of an emergency.

Please discuss these matters with your family. Planning ahead will help alleviate concern during emergencies. Should an emergency situation occur, we thank you in advance for your patience and cooperation. Please call, email or stop in to see me with your thoughts or questions.

Sincerely,
