Teaching and Learning Committee Meeting

April 22, 2024

A meeting of the Teaching and Learning Committee of the Board of Education was held on the above date at the Educational Service Center at 5:30 p.m. Board committee members present: Mary Kuntz, Maria Mason, Lisa Panzer, and Gary Spielman.

Mr. Meyer, Director of Teaching and Learning, presented information regarding service learning. He explained the goal is to develop a plan during the 2024-2025 school year for implementation in the 2025-2026 school year. The plan ensures every student engages in a meaningful service-learning experience at least three times over the course of their K-12 career. He reviewed how the plan connects to the district's Belief Statements, the definition of service learning, and key ideas.

Mr. Meyer provided an update on the curriculum review process. He explained that each year the district reviews one or more content areas per a curriculum review cycle. The review is an evaluation and development of a plan for appropriate next steps. Art, Music, PE, and Health have been reviewed during the 2023-2024 school year. Revisions will include implementing a unit of study on the Walldog Murals of Beaver Dam in the elementary art curriculum and a revised course guide for Health 9. The Math curriculum will be reviewed during the 2024-2025 school year. He reviewed the math review plan outline.

The next committee meeting is scheduled for May 20.
