

Thank You for Your Participation in the Community Survey!

1,855 surveys were completed.

The community survey was distributed in May to determine the level of support for a comprehensive plan to address high school facility needs and district-wide safety and security upgrades. The high school building would be redesigned to use the space on the existing campus to better position our students for future successes. The total cost of the comprehensive plan is \$48.9 million.

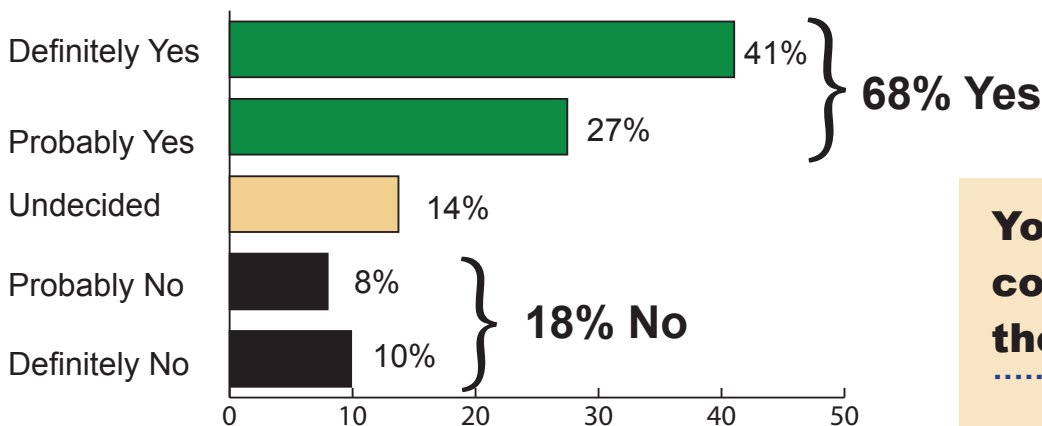

What advice would you give the Board of Education?

73% of all residents approve pursuing a referendum this fall

Would you support a \$48.9 million referendum for the comprehensive plan as described?
