Summative Assessments: (this shall constitute 70% of the term grade)

Our goal is to assess what the students have learned from what we have taught. Summative assessments reflect the format and content of the formative learning opportunities.

**Make-up Policy for Summative Assessment:** Students may redo the summative assessments if they feel that they can improve. They must first be caught up with all formative tasks, and come in for help, if necessary. The original and the retake grades will be averaged. Students interested in redoing an assessment must fill out and turn in a Retest Request sheet provided by Frau Tunks. It is the student's responsibility to advocate for this opportunity and make the necessary arrangements.

Cumulative Final: At the end of the semester, there will be a cumulative final exam. Students will not be allowed to retake this assessment. This will comprise 15% of the semester grade.
