

Beaver Dam Noon Kiwanis

2010 Friends of Education

The Kiwanis mission is to serve children and the Beaver Dam Noon Kiwanis has a strong history of serving the children of Beaver Dam. Many of the members participate in the district's Partners Are Learning (PALs) program, which helps elementary students succeed in school. The Beaver Dam Noon Kiwanis also provides financial support for the program, in addition to generously donating funds to community organizations focused on children in need. They have also organized school supply drives, collecting supplies for underprivileged students.

The Beaver Dam Noon Kiwanis is also dedicated providing leadership opportunities for students through the Builder's Club at the Middle School and the Key Club at the High School. The clubs are organized and funded by Kiwanis and members provide leadership guidance. These programs provide students with the opportunity to become competent, capable, and compassionate leaders. In addition, they also are the main contributor toward the Quiz Bowl, which is an enrichment activity that asks questions of human knowledge to teams of high school students. The Beaver Dam Noon Kiwanis is also committed to continuing education by annually awarding two scholarships to graduating high school students.
