500 Gould St 920-885-7313

**Registration forms are due to the BD Middle School
Student Services Office by May 3, 2024**

Middle School Summer School 2024

All BDMS Summer Courses will be held at BEAVER DAM HIGH SCHOOL.

The Beaver Dam Unified School District offers a comprehensive Summer School program to students in the Beaver Dam area. Summer program offerings through Beaver Dam Middle School provide an opportunity for enrichment and personal academic skill improvement. Our summer program is available to students regardless of whether they attend public, parochial, or home school during the regular school year.

Please review the information with your child and encourage them to take advantage of the worthwhile educational opportunities in the BDMS Summer Program.

ENROLLMENT DEADLINE: MAY 3, 2024

Please complete the enrollment form in Skyward Family Access. Early enrollment is encouraged so that your child gets their first choices for classes. Enrollments will be processed in the order they are received. Students are not guaranteed all the classes they choose and some classes may be canceled if the enrollment numbers are too low.

Before enrolling for summer school, please be sure to check the dates to ensure they will work with your family's schedule.

There will be no Summer School classes July 1 – 4, 2024

If you have any questions about Middle School Summer School, please contact:

Summer School Information

ALL MIDDLE SCHOOL SUMMER SCHOOL CLASSES WILL BE HELD AT BEAVER DAM HIGH SCHOOL

ATTENDANCE: Students enrolled in summer school courses are encouraged to attend all classes. We understand families may schedule vacations or long weekends; please keep us informed of any absence. Please call 920-885-7313 (BD High School) to report all absences. When reporting an absence, please state the student's name, the class(es) they are enrolled in, and the grade level they completed in the 2023-24 school year.

DRESS & CONDUCT: Students are expected to follow the same standards of dress and conduct as during the school year.

EMERGENCY CONTACT: Please list an emergency contact that is NOT a parent/guardian. We will always attempt to contact a parent/guardian first. Emergency contacts should be someone in the area that we can contact if we are unable to reach a parent/guardian.

SCHEDULES: Student schedules will be mailed home about a week before summer school starts. All classes will run the entire 6 weeks of summer school (June 10 – July 25 with no classes July 1 – 4). Please mark your calendars accordingly.

TRANSPORTATION: Students taking a Summer Learning Academy course (math or reading) **may** be eligible for transportation to/from home if they were recommended for the course. Please make a note in the Special Request area of the registration form to request transportation. There will also be a shuttle bus that runs between Beaver Dam Middle School and Beaver Dam High School before and after summer school. All other students are responsible for arranging their own transportation unless the student has accommodations for specialized transportation through an IEP.

MEALS: The Beaver Dam Unified School District is proud to once again join the USDA and DPI in offering a breakfast & lunch program for our summer school program. FREE breakfast & lunch for all students will be served every day of summer school. All students are eligible to receive free meals under this program, which is funded by the USDA. We hope you plan for your child(ren) to join us for a nutritious breakfast & lunch every day.

BDMS Summer Learning Academy courses are designed to help students build skills in reading and math and are geared towards students who need additional time and support. The parents/guardians of students identified as candidates for the Summer Learning Academy will receive a recommendation letter in the mail. **If your child is recommended, please give serious consideration when deciding whether or not to enroll them for summer school.** These courses are open to any students, if space is available, without teacher recommendation. Priority enrollment will be given to students who have been recommended by a teacher. Summer Learning Academy courses are designed to help students build skills in reading and math.

ALL CLASSES WILL BE HELD AT BEAVER DAM HIGH SCHOOL

101 - MIDDLE SCHOOL MATH

This course is designed to support and strengthen math subject areas in which students need improvement. This course is open to all students with priority given to those students who were recommended by their teacher.

102 - MIDDLE SCHOOL READING/ELA

This course is designed to support and strengthen reading/ELA subject areas in which students need improvement. This course is open to all students with priority given to those students who were recommended by their teacher.

ENRICHMENT CLASSES

Enrichment courses provide learning activities to broaden students' skills and enrich their interests. These classes have minimum and maximum enrollment numbers. Please register early to help ensure your student gets the classes they want.

ALL CLASSES WILL BE HELD AT BEAVER DAM HIGH SCHOOL

201 – CRAFTS & GAMES

Tissue paper and ribbons and yarn and stickers, OOOOH MY!!! From building flowers and butterflies with tissue paper or ribbons, making mosaic scenes with stickers, creating suncatchers or your own stickers or even designing motivation posters.... the creativity could be endless. Many items can be saved or even given away as thoughtful gifts to friends or family members.

202 – EXPLORATION OF DANCE

Dive into the vibrant world of dance this summer with our exciting class, Exploration of Dance! Designed for dancers of all levels, this dynamic course blends various dance styles to create a unique and exhilarating experience. Students will explore a diverse range of techniques and choreographic elements. Led by experienced instructors, each class will focus on building strength, flexibility, and coordination while fostering creativity and self-expression. Through engaging exercises, fun routines, and collaborative activities, participants will develop their dance skills and confidence in a supportive and encouraging environment. Whether you're a seasoned dancer or a beginner eager to learn new moves, Exploration of Dance offers something for everyone. Join us this summer and let the music move you!

203 - MAD SCIENTIST TRAINING

Explore the world around you through science! Were you ever curious what would happen when you mix different substances together? Through various experiments with a variety of substances, we'll investigate various chemical reactions relating to solids, liquids, and gasses as well as learn and perform the scientific method utilizing hands-on experiments and activities.

204 - UP & MOVING

Get up and get moving this summer! No need to worry about staying active if you're a part of this class! We will switch up physical activities and learn new and fun ways to include light fitness into your daily life. Options of activity will include but are not limited to: yoga, Pilates, walking, free weights, resistance bands, exercise ball, gymnastics, and ZUMBA! Join Up & Moving to stay active and have fun with new people this summer!

205 – GAME, SET, MATCH TENNIS

Class Time: 10:40 am – 11:45 am

Come join us for a ton of fun in the Summer sun! Learn new tennis skills, work hard, and make new friends. Suited for beginners and those who have some experience with tennis. Activities include tennis drills, team building activities, and games. Please come with tennis shoes, athletic wear, a water bottle, and a tennis racket.

STRENGTH & CONDITIONING

We are once again excited to offer weight lifting as a course offering for our summer school programming. Like in past years, we are partnering with Sports Advantage to provide training and expertise in weight lifting, speed and agility training, and conditioning for our students. This is a tremendous opportunity to work with a proven organization that has experience working with college bound athletes as well as D1/2/3 collegiate teams across multiple sports and genders.

Class times are split based on targeting participant groupings. Please register for the group based on the grade completed in the 2023-24 school year.

Please Note: Strength & Conditioning follows a different schedule than the regular summer school classes.

| | |
|--------------|---|
| DATES | June 3 – August 5, 2024 (No class July 1 – 4) Monday – Thursday No class on Fridays |
| COST | No Charge |

SESSION OPTIONS

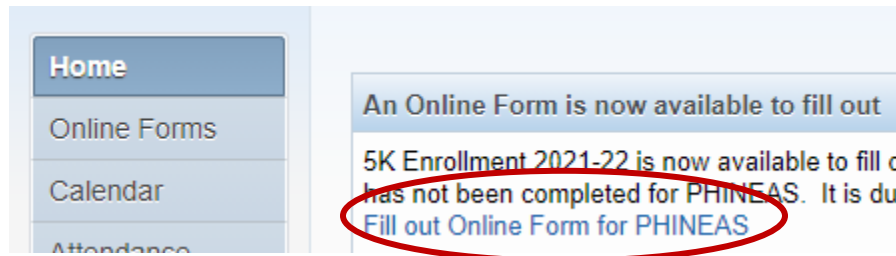

| | | |
|-------------------------------|---------------------|---|
| Open 8 th Grade | 8:00 am – 9:15 am | The Open session is designed for high school aged students. Any student in grade 8 may enroll in this session. |
| Middle School Only | 9:30 am – 10:45 am | The Middle School Only session is designed specifically for middle school aged students. Any student in grades 6 – 8 may enroll in this session. |
| Girls Only | 11:00 am – 12:15 pm | The Girls Only session is the same as the Open session but is for our female students only. It ensures a safe & comfortable atmosphere for these students to get in the weight room and have an enjoyable experience. <u>This session will have the same trainers as the above sessions.</u> This session is open to girls in grades 6 – 11. |

Online Summer School Registration

BDMS Summer School will use an online form in Skyward Family Access for registration. Please login to your Family Access account and complete the online form to enroll your child in Summer School. Forms must be completed using a web browser. They are not available in the Skyward App. Forms may only be completed by the primary family listed in Skyward.

If you do not know or remember your login and password, please use the “Forgot your Login/Password” link on the Skyward login page found on the bdusd.org website.

When you log in to Family Access, you will see a message on the main screen that there is an online form available to fill out. Just click on the “Fill out Online Form” link. You can also click on the Online Forms tab on the left side menu bar and click on the Fill Out Form link from the drop down.

On the form screen, you will see the form to complete. If you would like to view the form full size instead of scrolling, click on the View Full Screen button.

Once you have selected your responses and signed the form, you must click the Complete Step 1 and move to Step 2 button. In the regular view, it will be at the bottom of the screen (you may need to expand your browser window a bit to see it). If you are in the full screen view, it will be at the top of the form.

Once you click the complete step button, you will be taken to a final confirmation page. You **MUST** click on the **SUBMIT** button on this page to complete the form. If you do not click on the SUBMIT button, your response will not be sent to the district.
