500 Gould St                      920-885-7313

**Enrollment forms are due to the BD Middle School  
Student Services Office by May 2, 2025**

# Middle School Summer School 2025

**All BDMS Summer Courses will be held at BEAVER DAM HIGH SCHOOL.**

The Beaver Dam Unified School District offers a comprehensive Summer School program to students in the Beaver Dam area. Summer program offerings through Beaver Dam Middle School provide an opportunity for enrichment and personal academic skill improvement. Our summer program is available to students regardless of whether they attend public, parochial, or home school during the regular school year.

Please review the information with your child and encourage them to take advantage of the worthwhile educational opportunities in the BDMS Summer Program.

## ENROLLMENT DEADLINE: MAY 2, 2025

Please complete the enrollment form in Skyward Family Access. Early enrollment is encouraged so that your child gets their first choices for classes. Enrollments will be processed in the order they are received. Students are not guaranteed all the classes they choose and some classes may be canceled if the enrollment numbers are too low.

Before enrolling for summer school, please be sure to check the dates to ensure they will work with your family's schedule.

**There will be no Summer School classes June 30 – July 4, 2025**

If you have any questions about Middle School Summer School, please contact:

# Summer School Information

**ALL MIDDLE SCHOOL SUMMER SCHOOL CLASSES WILL BE HELD AT BEAVER DAM HIGH SCHOOL**

---

**ATTENDANCE:** Students enrolled in summer school courses are encouraged to attend all classes. We understand families may schedule vacations or long weekends; please keep us informed of any absence. Please call 920-885-7313 (BD High School) to report all absences. When reporting an absence, please state the student's name, the class(es) they are enrolled in, and the grade level they completed in the 2024-25 school year.

**DRESS & CONDUCT:** Students are expected to follow the same standards of dress and conduct as during the school year.

**EMERGENCY CONTACT:** Please list an emergency contact that is NOT a parent/guardian. We will always attempt to contact a parent/guardian first. Emergency contacts should be someone in the area that we can contact if we are unable to reach a parent/guardian.

**SCHEDULES:** Student schedules will be mailed home about a week before summer school starts. All classes will run the entire 6 weeks of summer school (June 10 – July 25 with no classes July 1 – 4). Please mark your calendars accordingly.

**TRANSPORTATION:** Students taking a Summer Learning Academy course (math or reading) **may** be eligible for transportation to/from home if they were recommended for the course. Please make a note in the Special Request area of the registration form to request transportation. There will also be a shuttle bus that runs between Beaver Dam Middle School and Beaver Dam High School before and after summer school. All other students are responsible for arranging their own transportation unless the student has accommodations for specialized transportation through an IEP.

**MEALS:** The Beaver Dam Unified School District is proud to once again join the USDA and DPI in offering a breakfast & lunch program for our summer school program. FREE breakfast & lunch for all students will be served every day of summer school. All students are eligible to receive free meals under this program, which is funded by the USDA. We hope you plan for your child(ren) to join us for a nutritious breakfast & lunch every day.

BDMS Summer Learning Academy courses are designed to help students build skills in reading and math and are geared towards students who need additional time and support. The parents/guardians of students identified as candidates for the Summer Learning Academy will receive a recommendation letter in the mail. **If your child is recommended, please give serious consideration when deciding whether or not to enroll them for summer school.** These courses are open to any students, if space is available, without teacher recommendation. Priority enrollment will be given to students who have been recommended by a teacher. Summer Learning Academy courses are designed to help students build skills in reading and math.

**ALL CLASSES WILL BE HELD AT BEAVER DAM HIGH SCHOOL**

### LEARNING ACADEMY MATH

This course is designed to support and strengthen math subject areas in which students need improvement. This course is open to all students with priority given to those students who were recommended by their teacher.

### LEARNING ACADEMY READING/ELA

This course is designed to support and strengthen reading/ELA subject areas in which students need improvement. This course is open to all students with priority given to those students who were recommended by their teacher.

## REMEDIAL RECOVERY

---

BDMS Remedial Recovery Math and Reading/ELA courses are structured educational programs designed to help students who have come up short or failed during the school year to meet their proficiency level. Students who have struggled may regain academic proficiency and strengthen foundational skills in these classes. Successful completion of the coursework will enable the student to choose their own HS courses and regain sport eligibility. Students who have completed their coursework, no longer need to report to class. Failure to complete or violate the BDMS Handbook will result in removal from the program and will not count toward a proficiency-level completion.

**ALL CLASSES WILL BE HELD AT BEAVER DAM HIGH SCHOOL**

### REMEDIAL RECOVERY MATH

This course is designed to support and strengthen math subject areas in which students need improvement. This course is open to all students with priority given to those students who were recommended by their teacher.

### REMEDIAL RECOVERY READING/ELA

This course is designed to support and strengthen reading/ELA subject areas in which students need improvement. This course is open to all students with priority given to those students who were recommended by their teacher.

Enrichment courses provide learning activities to broaden students' skills and enrich their interests. These classes have minimum and maximum enrollment numbers. Please register early to help ensure your student gets the classes they want.

### ALL CLASSES WILL BE HELD AT BEAVER DAM HIGH SCHOOL

#### MIDDLE SCHOOL SUCCESS

Get ready to unlock your inner superpowers! This class is packed with fun, engaging activities to help you crush middle school life like a pro. Each week, we'll dive into exciting topics like handling emotions, building friendships, and staying cool under pressure—plus, you'll discover what makes YOU awesome. From role-playing games to creating your personal "Calm Down Toolkit," every session is a chance to grow, connect, and have a blast. Join us for Level Up and take your social and emotional skills to the next level!

#### ARTS & CRAFTS

Tissue paper and ribbons and yarn and stickers, OOOOH MY!!! From building flowers and butterflies with tissue paper or ribbons, making mosaic scenes with stickers, creating suncatchers or your own stickers or even designing motivation posters.... the creativity could be endless. Many items can be saved or even given away as thoughtful gifts to friends or family members.

#### MAD SCIENTIST TRAINING

Explore the world around you through science! Were you ever curious what would happen when you mix different substances together? Through various experiments with a variety of substances, we'll investigate various chemical reactions relating to solids, liquids, and gasses as well as learn and perform the scientific method utilizing hands-on experiments and activities.

#### UP & MOVING

Get up and get moving this summer! No need to worry about staying active if you're a part of this class! We will switch up physical activities and learn new and fun ways to include light fitness into your daily life. Options of activity will include but are not limited to: yoga, Pilates, walking, free weights, resistance bands, exercise ball, gymnastics, and ZUMBA! Join Up & Moving to stay active and have fun with new people this summer!

#### GAME, SET, MATCH TENNIS

Class Time: 8:20 – 9:25 am

Come join us for a ton of fun in the Summer sun! Learn new tennis skills, work hard, and make new friends. Suited for beginners and those who have some experience with tennis. Activities include tennis drills, team building activities, and games. Please come with tennis shoes, athletic wear, a water bottle, and a tennis racket.

#### LEGO ROBOTICS

AUGUST 4 – 8, 2025

1:00 – 2:00 PM

6<sup>TH</sup> & 7<sup>TH</sup> GRADE ONLY

Students will learn the basics of building and coding LEGO robots. They will use the engineering design process to create and test robotic attachments and write code to complete tasks like grabbing, lifting, line following, and more. No prior experience is required. Students can continue developing their skills by joining the new FIRST LEGO League Robotics team for grades 5-8 during the 2025-26 school year.

#### ROBOTICS: BUILDING & CODING

JULY 7 – 11, 2025

9:00 – 11:00 AM

8<sup>TH</sup> GRADE ONLY

Students will learn the basics of building and coding a competition-style robot. They will use the engineering design process to create and test robotic attachments and write code for tasks like grabbing and lifting objects. No prior experience is required. Students can continue developing their skills by joining the BDHS Robotics Team during the school year.

## STRENGTH & CONDITIONING

---

We are once again excited to offer weight lifting as a course offering for our summer school programming. There is no cost to participate.

Class times are split based on targeting participant groupings. Please register for the group based on the grade completed in the 2024-25 school year.

### REGULAR SESSION OPTIONS

JUNE 9 – JULY 31, 2025 (Monday – Thursday, No class June 30 – July 4)

Open 8 <sup>th</sup> Grade	8:00 am – 9:15 am	The Open session is designed for high school aged students, including students entering 9 <sup>th</sup> grade for 2025-26.
Girls Only	9:30 am – 10:45 am	The Girls Only session is the same as the Open session but is for our female students only. It ensures a safe & comfortable atmosphere for these students to get in the weight room and have an enjoyable experience. <b>This session will have the same trainers as the other sessions.</b> This session is open to girls in grades 6 – 11.
Middle School Only	11:00 am – 12:15 pm	The Middle School Only session is designed specifically for middle school aged students. Any student in grades 6 – 8 may enroll in this session.
General Lift 8 <sup>th</sup> Grade	5:30 PM – 7:30 PM	The General Lift session is the same as the Open session. This option is ideal for student athletes that may have daytime conflicts that would prohibit them from participating in the other sessions. This session is designed for high school aged students, including students entering 9 <sup>th</sup> grade for 2025-26.

### EXTENDED SUMMER OPTION

AUGUST 4 – 21, 2025

8 <sup>th</sup> Grade	5:30 PM – 7:30 PM	The extended summer option is designed for students not participating in a fall sport to continue their weight lifting program through the end of summer.
-----------------------	-------------------	---

## SUMMER MUSIC OPPORTUNITIES

---

### MARCHING BAND CAMP

8<sup>th</sup> Grade Band Members Only

**JULY 21 – JULY 25, 2025**

8:00 am – 4:00 pm, Monday – Thursday

8:00 am – 1:00 pm, Friday

Marching Band Camp is required for all students who will be in a high school band for the 2025-26 school year. This is a time for band students to learn the field show for the upcoming marching band/football season. We will have a performance for families on Friday, July 26 at 11:00 am on the BDHS Football Field. Questions about Marching Band can be directed to Colin Galitz (GalitzC@bdusd.org) or Kyle Henrickson (HenricksonK@bdusd.org).

### BEGINNING BAND & ORCHESTRA

**AUGUST 4 – 8, 2025 or AUGUST 11 – 15, 2025**

Students wishing to learn an instrument for the first time and join Band or Orchestra must take beginning lessons during the summer. **Middle School students wishing to play an instrument must contact the band or orchestra teacher for sign-up information.** You can also find information on the music department's website:  
<https://sites.google.com/bdusd.org/beginningbandorchestrabdusd/home>

### BAND JAM

**AUGUST 11 – 15, 2025**

6<sup>th</sup> & 7<sup>th</sup> Grade Band Members

This course is intended for current band students only. Students will get a jump start on learning music for the 2025-26 school year, playing both concert and jazz music. Students should contact their band director to enroll in this class.

### ORCHESTRA TUNE-UP

**AUGUST 11 – 15, 2025**

6<sup>th</sup> Grade Orchestra Members

This course is intended for current 6<sup>th</sup> grade orchestra students only. Students will review important skills and get a jump start on learning music for the 2025-26 school year. Students should contact their orchestra director to enroll in this class.

MS Band & Orchestra questions may be directed to:

Band:	Deb Battenberg	BattenbergD@bdusd.org	920-885-7525 ext. 3121
Orchestra:	Dawn Gaylord	GaylordD@bdusd.org	920-885-7525 ext. 3125

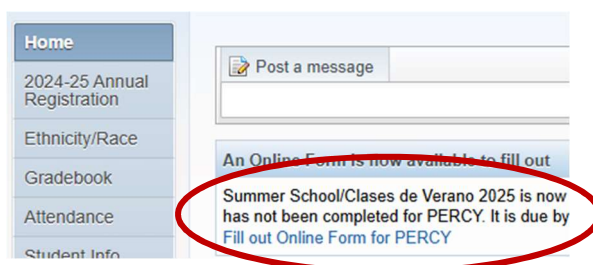

## Online Summer School Registration

BDMS Summer School will use an online form in Skyward Family Access for registration. Please login to your Family Access account and complete the online form to enroll your child in Summer School. Forms must be completed using a web browser. They are not available in the Skyward App. Forms may only be completed by the primary family listed in Skyward.

If you do not know or remember your login and password, please use the “Forgot your Login/Password” link on the Skyward login page found on the bdusd.org website.

When you log in to Family Access, you will see a message on the main screen that there is an online form available to fill out. Just click on the “Fill out Online Form” link. You can also click on the Online Forms tab on the left side menu bar and click on the Fill Out Form link from the drop down.

On the form screen, you will see the form to complete. If you would like to view the form full size instead of scrolling, click on the View Full Screen button.

Once you have selected your responses and signed the form, you must click the Complete Step 1 and move to Step 2 button. In the regular view, it will be at the bottom of the screen (you may need to expand your browser window a bit to see it). If you are in the full screen view, it will be at the top of the form.

Once you click the complete step button, you will be taken to a final confirmation page. **You MUST click on the SUBMIT button on this page to complete the form.** If you do not click on the SUBMIT button, your response will not be sent to the district.
