

Student Academic Standards for the Beaver Dam Unified School District

The Beaver Dam Unified School District provides a rigorous and relevant curriculum delivered by high quality educators. Teachers use innovative and research-based teaching strategies coupled with technology to ensure students can transfer knowledge and skills into solutions, new information, and products.

The standards listed below are or will be aligned to student learning targets. The standards are or will be embedded into the BDUSD curricula and used to assist in identifying instructional materials and resources to support teacher instruction and student learning.
