17th - 21st - NO SCHOOL - SPRING BREAK

Several years ago a group of BDHS students and staff came together with a variety of community stakeholders and helped bring a skate park to Beaver Dam. There is a new project team that is working to finish the work that was started, and enhance the park for the future. If you are interested, there is a brief survey the current community team has active to inform their efforts. Survey: <https://americanrampcompany.com/surveys/beaver-dam-skatepark/>

Thank you!

DROP OFF AND PICK UP

We want to remind parents that when you drop off or pick up your child, please refrain from blocking neighborhood driveways. We also ask that you park in a designated spot. Please refrain from parking in the road. Safety of students is our number one priority.

This area between the cones is designated for Bus and Taxi pick up and drop off only. We ask that even if you are just dropping off your child quickly, that you please avoid this area.

A colorful poster for a book swap event. At the top left is the school's bulldog mascot. To its right, a pink banner reads "WASHINGTON ELEMENTARY". Below the banner, the words "BOOK SWAP" are written in large, bold, blue and yellow letters. The background is purple with a pattern of small white dots. At the bottom, there are two cartoon children: a boy on the left holding a stack of books, and a girl on the right sitting on a stack of books. The text on the poster reads: "We are hosting a BOOK SWAP the week of February 18th - 21st. We are asking that each student bring in a maximum of 5 books that they have read and exchange them for other books. Please bring books that you would like to exchange on Wednesday, February 12th and Thursday, February 13th. Classroom teachers will collect the books and students will exchange them during their library time the week of February 18th." At the very bottom left, in small text, it says "Made with PosterMyWall.com".

In February or March, a member of your school's Student Services staff will be talking to your child's class about personal safety. We want you to be aware of this so that you can help answer any questions your child may have and continue the discussion at home.

These lessons are part of the district's personal safety curriculum and include such topics as common safety rules, safe and unsafe touches, keeping private parts private, reporting, assertiveness skills, and harassment; all topics are carefully adapted to the age of the children. The overall goal of this unit is for students to advocate for their personal safety. Together we help your children learn and practice personal safety. If you have any questions, or if you would like more information on this topic, please feel free to contact us.

Sincerely,

**Student Services Staff
Beaver Dam Unified School District**
