Summer School Guidelines/Agreement

All rules in the BDHS Student Handbook for the 2023-24 school year are in effect throughout the Summer School program. Violation of any of the rules will be grounds for immediate removal from the program with no credit issued for the time spent in class.

In addition to the BDHS Student Handbook, please note these guidelines specific to summer school:

- Students are expected to check in their phone prior to class starting. No phones or earbuds will be allowed during summer school. Phones may be accessed during break time and/or at the discretion of the teacher.
- Students are expected to dress appropriately at all times. The BDHS dress code policy will be enforced.
- Being on time and attending all scheduled classes is important. If a student will be late or cannot attend school for any reason, a parent/guardian is required to call the BDHS office at 920-885-7313 and speak to a BDHS staff member concerning the absence. **Students are allowed up to two (2) unexcused absences during summer school.** If a student misses more than two days without administrative or teacher approval, they will be dismissed from the program and will not receive any credit for the time spent in class.
- A student absent on the first day of summer school without an acceptable excuse will be automatically dropped.
- Students are not permitted to leave the school building during summer school. Students who must leave due to an illness or appointment must make arrangements with their classroom teacher. Failure to do so will be considered an unauthorized leave and may result in being dropped from the summer school program.
- If your child requires medications during summer school hours, a Medication Consent Form must be completed. The form is available from the Student Office or from the bdusd.org website.
- All classes begin on Monday, June 10, 2024 at BDHS unless otherwise noted.
- Schedules will be mailed home prior to the start of summer school. Schedules will also be available in Skyward Family/Student Access.
- Students who are not making adequate progress or are not passing will be dropped after the first two weeks.

Students will be required to sign this agreement on the first day of summer school.
