

Prairie View Elementary

Ms. Ackley's Third Grade
2-26-25

Volume 15, Issue 18

General Housekeeping

The students have been working extremely hard this week-spring break will be here before we know it! Despite spring inching closer, we haven't kicked the cold weather yet. Please make sure your child is dressed appropriately for the weather outside!

New month at the end of this week means new website activities! Make sure to check it out!

Congratulations to our February VIPs for showing kindness and acceptance this month: Jax and Alana!

Reading

This week students are reading different stories about people that made a difference in their communities. Students are working on skills like identifying text structure, point of view and central idea.

Math

The students are continuing their study of fractions this week as we work on comparing fractions with the same numerator and denominator. The students did very well on their mid-unit assessment yesterday.

Please continue to practice those multiplication facts at home.

Writing/ Grammar

The students began a new persuasive piece this week: should pets be allowed in schools? The students have had to read and use sources to support their details. We have also been practicing more response to literature writing.

In grammar this week, we are practicing identifying adverbs. Susie ran quickly down the sidewalk.

Social Studies

The students have begun a new unit this week on the Role of Citizens in our country. They have learned more about citizen's rights, as well as citizens from our past that have fought for certain group's rights in our history.

Science

Students are wrapping up their weather and climate unit this week as they explore how homes are built to adapt to weather events that may be more common in an area.

Happy Birthday!

We celebrated Silas' half birthday on Monday this week, as his birthday is August 23rd! We will celebrate Divina's birthday on Monday, March 3rd! Happy Birthday to you both!
