

Prairie View Elementary

Ms. Ackley's Third Grade
3-12-25

Volume 15, Issue 20

General Housekeeping

I am so proud of all of the productive determination the students have shown this past week. They have definitely earned that spring break coming up next week. Enjoy a healthy, well-rested break!

We have our movie field trip on Friday right at 8:45am. Please make sure your child is to school on time, so he/she does not miss our bus to the movie theater. :) We will return between 11:30am-Noon.

We are completing One School, One Book activities this week with the book, *The Boy Who Loved Words*.

Reading

We started a new module this week that focuses on new inventions! We are reading about Thomas Edison and looking at text and graphic features, text structure (how does the author organize the writing), and central idea!

Math

The students are taking their Unit 4 assessment on fractions and line plots this week. We will begin learning about geometrical shapes later this week!

Writing/ Grammar

The students are wrapping up their persuasive piece this week: which is better: cats or dogs? The students have had to read and use sources to support their details. We have also been practicing more response to literature writing.

In grammar this week, we are continuing to practice writing comparative and superlative adverbs and adjectives. Susie ran more quickly than Billy. Billy was the tallest of all the students.

Social Studies

The students have learned more about rights we have as US citizens, as well as why it is important to follow laws and rules. We will be taking our test on these concepts this week.

Science

Students have learned about similar stages of all animals within a life cycle. We will continue learning more about life cycles after spring break.

Happy Birthday!

There are no birthdays to celebrate this week.

Upcoming Events

- All-School Movie Field Trip: Friday, March 14th 8:45am-12:00pm
- No School-Spring Break: Mon., March 17th-Fri. March 21st Classes resume Monday, March 24th.
