Absences: Students who miss work due to absences are expected to make it up ASAP. Work due the day a student is absent will be expected the day of their return, including tests, projects, presentations or quizzes. If a student is absent the day before a quiz/test, they should expect to take it upon returning from the absence.

Extra Credit: Students who are having difficulty may make arrangements for extra help. Credit may be given for attending tutoring sessions, but otherwise extra credit is not available.

Late work is reduced 20% per day late, *including homework and projects*. **All daily work is expected to be 100% complete when graded, or will receive a zero until completed for a late grade.**

Cheating will result in a zero and an academic dishonesty referral for any person involved. This includes the use of translators, copying other students’ work or homework, **or allowing others to copy** finished work.

Retesting: Students may arrange to retake a test or quiz within two school days of getting back the first attempt, at the teacher’s convenience. **Retaken tests/quizzes are averaged with the original score.**
