If you do not have a payment method set up in eFunds, it will ask you to add your information when you log in. You may add a checking account or a credit/debit card to make payments.

Once you have your payment information entered, you can review your information. If everything looks right, you will need to accept the convenience fee and click on the Submit Payment button to finalize your payment. Once you have done that, you will be returned to Family Access and your payment will be processed.
