

BEAVER DAM UNIFIED SCHOOL DISTRICT
WALL OF FAME

Tom and Judy Heffron
2018 Friend of Education

Tom and Judy Heffron exemplify commitment to serving the children of the Beaver Dam Unified School District and the community through their support of various child-centered activities and programs. They have sponsored opportunities for young students in the district to experience instruments first-hand and have the Opera for the Young perform with students at the elementary schools. The Heffrons funded large hands-on outdoor musical instruments for children to enjoy at a city park and have been instrumental in establishing a community children's chorus. Tom and Judy also work with the Beaver Dam Area Orchestra to provide all children who attend the annual Christmas concert with a gift and they sponsor the free Holiday Santa event at the Heffron White House for all children to attend. Their generosity also extends to ensuring the safety of children with the funds they provided to purchase new signs for crossing guards. Tom and Judy also provide for families in need through their foundation, the Heffron Foundation.
